**KADS Committee Meeting
Wednesday 12th February 2020**

Awards night

Rob Gooch has said that there are 1st, 2nd and 3rd awards/prizes for Handicap and 1st and 2nd Pairs. Rob has the results and will present on the night. The committee discussed the other awards for the night and decided on who would get what. KAD of the year vote is to go out to all members. There was a lot of debate over who to award the different awards too as there are a lot of strong candidates this year.

Recap vision building session

Some committee members met to discuss the vision of the club. Leigh will be presenting this on the awards night to introduce to members.

Handicap changes

Steve proposed some changes to the handicap series this year; to have 5 races all to be from New Lane when it is light April - September, 1 of the races can be done virtual, 4 out of 5 races need to be done for the award. 5 races instead of 6 due to safety and packed race calendar

AAA AGM/League meetings

There may be questions at meetings around hosting races, but there is nowhere in Kimberley to host league races. The committee will try and have one member attend these meetings. AAA AGM is 11th March, Emma will be attending this

Next Meeting - 4th March
